

FOR TEENS

Fire And Safety Training
In Butte County
June 20 - 25, 2010

Dear Store Manager or Agency representative,

This letter is to solicit support for a successful program designed to challenge and empower Butte County's teens. FAST camp incorporates classes, hands-on activities and physical training aimed at empowering and building confidence through personal experience. The concept of FAST camp is a model leadership camp for teenagers that is organized and led by firefighters, law enforcement officers and paramedics who are donating their time from Butte County Public Safety Agencies.

Twenty teenagers have been selected to participate in this week-long experience at no cost to the participant. We are asking for your assistance in the donation of food, drinks, and office supplies to help keep the cost at a minimum. The program costs are covered by solicitation to local organizations and groups. The program is free to the campers, as our goal is to reach out to all youth in Butte County.

The North Valley Community Foundation (NVCF) is providing our financial administration and accounting services. Tax ID information will be sent to you upon receipt of your in-kind donation.

Either an in-store gift certificate (Tax ID 68-0161455) or a donation of any of the following items would be greatly appreciated:

Energy Drinks and Bottled Water
Snacks
Lunch Products: Bread, Chips, Fruit, Condiments
Breakfast Products: Cereal, Juice, Fruit
Sunscreen and "lip screen" type products

Attached is information outlining the program's "Vision, Mission, and Goals" and a copy of the curriculum for the week-long event.

Thank you very much for consideration in supporting this exciting program.

Please contact me with any questions.

Thank you for your time and dedication to the youth of Butte County,
Marlene Heisey, Battalion Chief CALFire
