Requirements for a Complete Indoor Marijuana Cultivation Permit Application

The following items are **REQUIRED** for a complete application:

- Completed and signed application form
- Written authorization from the Property Owner (if Applicant is not the Owner)
- Written statement explaining why outdoor cultivation is infeasible (incl. photos if needed)
- 8½" X 11" Site Plan of Property showing:
 - Workable scale
 - North arrow
 - Property lines
 - Adjacent streets, alleys and properties
 - Footprint and location of existing and new structures
 - Street address and assessor's parcel number(s)
 - Name of Applicant
- 8½" X 11" Interior Floor Plan showing the area to be used for indoor cultivation, with all rooms clearly labeled and the dimensions of the indoor cultivation area indicated. The floor plan shall also identify the type, location, and wattage of lamps used for cultivation, along with any changes to the home's electrical system. *(Note: Consult with the Building Division if such changes are proposed, as a separate permit may be required.)*

Time Limits

Please allow ten working days to process this application.

City Standards

The following standards, found in Chapter 19.77 of the Chico Municipal Code, apply in addition to all other applicable provisions of these Regulations and any requirements imposed by the State of California.

1. **All medical marijuana cultivated shall be for the personal use only of a qualified patient residing on the property and may not be distributed to any other person, collective, or cooperative.**
2. An area no larger than 50 square feet may be devoted to the cultivation of the marijuana. This restriction applies regardless of how many qualified patients are living on the property.
3. The lighting used for the cultivation shall not exceed 1200 watts.
4. There shall be no exterior evidence of the marijuana cultivation from any public right of way.
5. The cultivation of marijuana shall not take place in the kitchen, bathrooms, or primary bedrooms of a residence.
6. The use of flammable or combustible products, including but not limited to CO2 and butane, for cultivation and processing is prohibited.
7. The cultivation of medical marijuana is not permitted if the cultivation activity adversely affects the health or safety of the residents or nearby properties through the creation of mold, mildew, dust, glare, heat, noise, odor, or other impacts.
