Chapter 11.08**AIRPORT RULES AND REGULATIONS****Section:****11.08.010 Authority to adopt - Effect.****11.08.010 Authority to adopt - Effect.**

The airport commission is authorized and empowered under the charter of the city to adopt regulatory rules governing all persons using the airport which are not in conflict with any other provisions of the charter or this code. All regulatory rules so adopted, when approved by the city council, by resolution, shall have the same effect as any other provision of this code, and shall be deemed to be a rule or regulation adopted pursuant to the charter of the city as that term is used in Section 1505 of said charter regarding the criminal effect of a violation of such rule or regulation, provided, however, that the airport commission may specify as to any regulatory rule, a lesser penalty than that provided for in Section 1505 of the charter; provided, further, that no violation shall be punishable by imprisonment. Said commission may further provide a minimum penalty, not inconsistent with the provisions hereof, or the provisions of said charter. Said commission may further provide, in addition to the criminal penalties herein referred to, non-criminal sanctions. All regulatory rules so adopted, upon approval by resolution of the city council, shall become effective immediately upon publication in the official newspaper of the city, of a notice, which notice shall be sufficient if it reasonably advises of the adoption of regulatory rules and of the location and the availability of copies thereof. The content of such rules need not be contained in any such notice.

(Ord. 1173 §2 (part))
