5.0 PUBLIC HEARING AGENDA

4.1 Architectural Review 18-32 (The Graduate Revised) - 344 West 8th Street (APN 004-281-002) – At its August 7, 2019 meeting, the Architectural Review and Historic Preservation Board (ARHPB) voted to deny a request to construct a 56-unit (135 bedroom), six-story apartment building with 59 vehicle parking spaces located on the westerly portion of the block bounded by West 8th Street, West 7th Street, Normal Avenue and Salem Street. The applicant subsequently revised the project for the ARHPB’s consideration. Revisions to the project include elimination of corner masses from the fifth and sixth story of the building, reduction in the number of residential units, elimination of rooftop deck amenities, application of cement lap siding to the north and south building elevations, and the addition of a ground-level commercial suite. The proposed changes to the project design bring the proposal into closer conformance with the General Plan and design guidelines, and Planning staff is recommending approval of the project. The project has been determined to be statutorily exempt pursuant to the California Environmental Quality Act (CEQA) Guidelines Section 15332 (In-Fill Development Projects). Questions regarding this project may be directed to Associate Planner Shannon Costa at (530) 879-6807, or shannon.costa@chicoca.gov.

Chair Bellin opened the public hearing and invited the applicant to make a presentation.

Addressing the Board on this item were: Project architect Buddy Williams and the applicant Garrett Gilliland. Paul Lieberum and Mike Campos both spoke against the project due to scale, color and inconsistency to the neighborhood architecture.

With no other members of the public wishing to address the Board, Chair Bellin closed the public hearing.

Board member Thomson made a motion that the Architectural Review and Historic Preservation Board adopt the required findings contained in the agenda report and approve Architectural Review 18-32 (The Graduate), subject to the recommended conditions therein with the added condition that final colors and materials are subject to final approval at a future ARHPB meeting.

The Motion was seconded by Board member Poulin.
The motion was carried by the following vote:

AYES: Bellin, Bennett, Poulin, Thomson
NOES: None
ABSENT: Jennings
