Staff presented a draft of new proposed monthly financial reports for consideration by the Finance Committee. (Report – Scott Dowell, Administrative Services Director)

Director Dowell reviewed the new report. Although the report is being condensed from 250 pages to 50 pages, the information is more easily identifiable, making it more valuable. Staff can still provide the full 250-page report on a quarterly basis.
Mayor Stone inquired if this format meets the directive for financial reporting outlined in the Chico Municipal Code. Director Dowell responded that it does.

Councilmember Schwab stated this is the type of report she typically sees and is open to trying it.

Councilmember Morgan stated that it's a long time coming, and the new report format is great for non-financial people to understand, and it makes it more readable.

Mayor Stone stated he appreciates the new format, that there is too much detail in the expanded format.

Councilmember Morgan suggested the Mayor explain at a Council meeting how and why the reports are being changed.
