SUPPLEMENTAL INFORMATION

The attached document entitled "Caper Acres Preliminary Phasing and Priority" is Supplemental Information for the following Agenda Item

4.2 Accept the Caper Acres Renovation Plan

Due to aging infrastructure, the BPPC included the renovation of Caper Acres in its 2013-2014 Work Plan. The Natural Resource Committee (NRC) hosted four public meetings to allow opportunities for public input on the project. At the July 10, 2014 meeting, the NRC provided input on the draft designs and directed staff to bring forward a completed plan to the full BPPC for consideration. Consultant and Staff will present a refined design, a list of priorities and costs, and other information from the Master Renovation Plan. **Recommendation:** *Accept the plan and recommend Council adoption.*

Please contact the Park Division Office at (530) 896-7800 if you require an agenda in an alternative format or if you need to request a disability-related modification or accommodation. This request should be received at least three working days prior to the meeting.
