Requirements for a Complete Rezone Application

The following items are REQUIRED for a complete application:

- Completed and Signed Application Form
- Written Authorization from the Property Owner (If Applicant is not the Owner)
- Completed Environmental Questionnaire Form
- 8 ½" X 11" location map (indicate dimensions), including subject property, surrounding properties, streets and other features
- A legal description of the property to be rezoned. The description is to be prepared by a licensed surveyor or engineer, or as contained in a recorded deed, that is acceptable to the City Planning Services Department
- Application and Environmental Review Fees (payable to the City of Chico), and the \$50 filing fee (payable to Butte County)

As a result of the environmental review process, additional information may be required to determine if significant adverse environmental impacts could result from the proposal.

Time Limits

Pursuant to California Government Code Sections 65943 and 65950, the City has 30 days from the date of submittal to determine if an application is complete and six months from the date of acceptance of a complete application to take final action when a negative declaration is prepared.

If an Environmental Impact Report is required, the City must take action within 90 days after certification of the Report.

Notice of Pending Amendments

Pursuant to California Government Code Section 65945 et seq., an Applicant can make a written request to receive notice of any pending amendments to the General Plan, Specific Plans, the land use regulations, ordinance affecting building permits, or to regulations pertaining to development permits, if the amendment is reasonably related to the Applicant's project.

Note: By signing the front of this Application form, the Applicant is indicating that the project site is not included on any State or local list of hazardous waste sites compiled pursuant to California Government Code Section 65962.5, as amended in January, 1996.

For Application No. _____

Environmental Questionnaire

The following information is requested to expedite the environmental review process necessary to process your permit request. Please complete thoroughly and attach reference materials as appropriate. Feel free to ask a staff Planner if you have any questions; omissions and errors could delay your project.

Project Information		
Describe the proposed project.		
Is grading proposed with the project? If yes, for what purpose and approximately how many cubic yards?		
Will the project include outdoor lighting? (Include type and location)		
Estimate the approximate square footage of proposed impervious surfaces, including building area, concrete, paving and other hardscape features.		
List the requested City permits and other public agency approvals required for this project, including County, State and Federal agencies. Please be aware that omissions may delay environmental review.		
Permit Name/Type	Responsible Agency	Date Request Submitted

For Office Use Only	
Project Title	SCH No.
	Receipt No.
Assigned Planner	Environmental Review Fee \$
Received By	Date Received

Project History

Have any previous environmental studies or documents been prepared for the project site? If yes, please describe.

Was this project heard by the Development Review Committee? When?

Existing Conditions

Describe the existing and historic use of the site.

Provide a concise statement describing the current environmental setting of the project site.

Are there residents/tenants who will need to be relocated as a result of the proposed project?

Site Features

Is the project located near any of the following: schools, churches, day care facilities, health care facilities, streams, parks, nature preserves, or undeveloped natural land? Please describe:

Does the site contain trees over 6" in diameter or native vegetation? Would the project remove these features?

Are any endangered, threatened, rare or sensitive species suspected of existing on site? Describe:

Have any known historical, archaeological, or paleontological resources been identified on site?

Water Features

Will a new storm drainage outfall, or improvements to the existing storm drainage outfall, be necessary?

Does the project site include any surface water features including creeks, tributary channels or areas of ponding water in the wet season? Describe:

Toxins and Hazardous Substances

Is there a history of contaminated soil or groundwater associated with this site?

Are any underground storage tanks or other subsurface structures located on site (not including utilities)?

Will the project involve the use or disposal of potentially hazardous materials including flammable, explosive, or toxic substances?

Other Pertinent Information

Please describe any other characteristics or effects of the project that may be of environmental consequence.

Required Signatures

I hereby certify that the information provided above is true and correct to the best of my knowledge and belief.
