3. NOTICED PUBLIC HEARINGS

3.1. HEARING ON THE (1) OPTION TO PURCHASE AND (2) SALE OF AGENCY-OWNED PROPERTY WITHIN THE CHICO MUNICIPAL AIRPORT REDEVELOPMENT PROJECT AREA TO SLATER LAND, INC. AND WAYNE COOK

By memorandum dated 12/22/03, the Executive Director of the Redevelopment Agency submitted the Summary Report and proposed Resolution relating to the (1) option to purchase and (2) sale of Chico Redevelopment Agency owned property located on the corner of Airpark Boulevard and Fortress Street at the Chico Municipal Airport to Slater Land, Inc. and Wayne Cook. Slater Land, Inc. and Wayne Cook intend to build a 20,000 square foot building on the property to be used for an office complex.

At its 9/30/03 meeting, the Airport Commission voted (3-0, Silva and Bellin absent) that it had no objection to the proposal. At its 11/13/03 meeting, the Economic Development Committee reviewed the request from Howard Slater and Wayne Cook to secure a five-year option to purchase 2.14 acres of Agency-owned property at the Chico Municipal Airport with the following conditions: (1) the five-year option would cost $8,000 per year, which would be a non-refundable deposit that would be applied to the purchase price when the transaction was completed; (2) the sales price of the property would be set at the fair market value of $310,000 and would be adjusted through the date of sale, according to the Consumer Price Index (CPI-Urban, U.S. City Average), if the option is exercised within five years; and (3) the property would be sold “as is,” and the Agency will not consider reductions in cost based on any conditions that may exist on the property such as toxic or environmental hazards. The Economic Development Committee recommended (3-0) adoption of the Resolution for the (1) option to purchase and (2) sale of the Agency-owned property to Slater Land, Inc. and Wayne Cook. Howard Slater addressed the Council regarding this item.

A motion was made by Vice Mayor Jarvis and seconded by Councilmember Wahl to adopt the following resolution:

AND

2.1. **RESOLUTION NO. 60 03-04 — A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF CHICO CONDITIONALLY APPROVING PLANNED DEVELOPMENT PERMIT 02-07 (SAFEWAY) - NORTHEAST CORNER OF EAST AND MARIPOSA AVENUES** — This item was removed from the Consent Agenda and heard under Item 4.1.

2.2. **RESOLUTION NO. 61 03-04 — A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF CHICO ADOPTING FINDINGS REGARDING DEVELOPMENT IMPACT FEES**

By memorandum dated 12/3/03, the Director of Public Works forwarded the annual Development Impact Fee Report (2002-03) and the Five-Year Unexpended Funds Report for the Five-Year Period Ending 6/30/03, as required by California Government Code Sections 66001 and 6606. The City of Chico levies development impact fees to pay for facilities which are needed due to new development. These fees are adopted in compliance with the California Government Code, which requires the City to demonstrate a reasonable relationship between the fee and the purpose for which it is identified (nexus). Under State law, the City is required to prepare an annual report and a five-year unexpended funds report.

As required by Section 66006(b) of the Government Code, the City was required to make certain information available to the public within 180 days after the end of the fiscal year. The first five-year report was made for fiscal year 1997-98. To comply with the Government Code, the required findings must again be made for fiscal year 2002-03. The five-year and annual reports have been combined into one report, which was made available to the general public on 12/22/03, as required by the Government Code. The Director of Public Works recommended approval of the report and adoption of the accompanying resolution which makes findings pursuant to Government Code Section 66001.

2.3. **MINUTE ORDER 01-04 — AUTHORIZATION FOR THE CITY MANAGER TO EXECUTE A LANDLORD’S ESTOPPEL CERTIFICATE FOR REAL PROPERTY LEASED AT THE CHICO MUNICIPAL AIRPORT (CITY OF CHICO/DOUGLAS J. GUILLON, ET AL.)**

Tehama Bank requested that the City execute a Landlord’s Estoppel Certificate in connection with the bank’s security interest in real property located at 109 Convair at the Chico Municipal Airport. This Estoppel Certificate confirms the details of the City’s lease of airport property to Douglas Guillon, et al., and provided for notice to the lender if the terms of the lease change or if the tenant defaults on the terms of the lease. Staff has determined that the execution of the certificate would not impact the City’s rights under the lease. The Airport Director recommended approval of the minute order.

2.4. **MINUTE ORDER NO. 02-04 — AUTHORIZING THE CITY MANAGER TO EXECUTE A SETTLEMENT AGREEMENT AND RELEASE WITH THE CALIFORNIA AIR RESOURCES BOARD FOR VIOLATION OF THE TRANSIT BUS FLEET REGULATIONS**

On 5/19/03 the California Air Resource Board (ARB) issued a Notice of Violation to the City for not meeting the 10/01/02 deadline to reduce the nitrogen oxide (NOx) emissions from the diesel fueled buses used for the Chico Area Transit System as required by the transit bus fleet regulations. The violation was referred to the ARB’s Office of Legal Affairs. The Office of Legal Affairs recently completed its review of this issue and sent the City a Settlement Agreement and Release requiring the
City to pay a civil penalty of $3,500. This minute order authorizes the City Manager to execute the Settlement Agreement.

After approval, the penalty will be paid from funds remaining in the Tank and Equipment Retrofit Project (24200) which was established in response to the Notice of Violation to pay the costs of retrofitting the City’s fuel system and equipment to accept ultra low-sulfur fuel to reduce air pollution. The City Manager recommended approval of the minute order.

2.5. APPROVAL OF RECOMMENDATIONS FROM THE FINANCE COMMITTEE REGARDING THE COMMUNITY ORGANIZATION FUNDING PROCESS

By memoranda dated 11/03/03 and 12/29/03, the Finance Committee provided a report on its meetings held 10/22/03 and 12/03/03 regarding the community organization funding process. Committee members present were Councilmembers Wahl, Jarvis (as alternate for Councilmember Gruendl), and Nguyen-Tan, Chair. Following discussions held at both meetings, the Committee made the following recommendations:

A. Adopt proposed criteria for evaluation of new General Fund/CDBG and TOT-Economic Development and Tourism applicants (attached to staff reports) to guide staff in recommendations to the Finance Committee including a requirement that new applicants provide a list of the organization’s Board of Directors or Board of Advisors with the application.

B. Approve minor revisions to the General Fund/CDBG and TOT-Economic Development and Tourism funding applications which would consolidate the current information requested and:

1. Retain submittal of budget information in the current application City fiscal year format for program funding requests, but allow organizations to provide additional agency level budget information in an alternate format.

2. Add a question which addresses the applicant’s provision of essential services (those services which directly assist in the delivery of City services or which might otherwise be provided by the City).

C. Approve further investigation of third party administration of all or parts of the program, with a recommendation to come back to the Committee prior to the 2005-06 fiscal year cycle.

D. Authorize staff to reject late applications.

The motion to approve the Consent Agenda, as read, carried by the following vote:

3. NOTICED PUBLIC HEARINGS

3.1. The California Park Association filed appeals of two adjacent planned development subdivisions. A single memorandum was prepared that addressed both appeals, with a single public hearing for both appeals being held at this meeting. The Planning Division recommendation applied to both appeals.

A. APPEAL OF THE PLANNING COMMISSION’S DECISION TO APPROVE VESTING TENTATIVE SUBDIVISION MAP S 02-19 AND PLANNED DEVELOPMENT PERMIT PDP 03-02 FOR THE YOSEMITE COMMONS SUBDIVISION AUTHORIZING THE DIVISION OF A 1.9 ACRE PARCEL INTO 12 RESIDENTIAL LOTS LOCATED AT THE SOUTHEAST CORNER OF THE YOSEMITE DRIVE/IDYLLWILD CIRCLE INTERSECTION (SUNSET DEVELOPMENT, LLC)
By memorandum dated 12/30/03, Planning Director Seidler and Senior Planner Murphy reported that at the Planning Commission meeting of 12/18/03, the Commission voted (4 in favor, 1 in opposition, 2 absent) to adopt a mitigated negative declaration and approve a vesting tentative parcel map and planned development permit (PDP) authorizing the subdivision of a 1.9 acre parcel into twelve single-family residential lots, at a net density of 6.3 units per acre. Proposed lots range in size from 4,006 square feet to 5,312 square feet with an average lot size of 4,898 square feet. Through the PDP, the applicant is requesting approval of a density which exceeds six units per acre, lot sizes below the R1 district standards, reduced building setbacks, and maximum lot coverage up to 50% on all lots. Modifications to City subdivision design criteria and improvement standards are also being requested to allow the width of a public alley to exceed the City’s standard and to allow lots with a depth to width ratio in excess of three to one. Access for the proposed subdivision would be via a two-way public alley with one access point off Yosemite Drive and one off Idyllwild Circle. The California Park Association has filed an appeal citing that the proposed development will exacerbate existing drainage problems in the area, that the density of the project is too high, and that the project is inconsistent with the City’s Foothill Development Standards and R1 zoning district requirements. The property is located at the southeast corner of the Yosemite Drive/Idyllwild circle intersection (Assessor’s Parcel No. 011-900-004). The site is designated Low Density Residential on the General Plan diagram with a zoning classification of R1 Low Density Residential. The Planning Division recommended that a mitigated negative declaration be adopted for the project pursuant to the California Environmental Quality Act (CEQA).

B. APPEAL OF THE PLANNING COMMISSION’S DECISION TO APPROVE VESTING TENTATIVE SUBDIVISION MAP S 02-20 AND PLANNED DEVELOPMENT PERMIT PDP 03-01 FOR THE YOSEMITE AT 32 SUBDIVISION AUTHORIZING THE DIVISION OF A 5.27 ACRE PARCEL INTO 25 SINGLE-FAMILY RESIDENTIAL LOTS, 3 DUPLEX LOTS, AND 4 TRIPLEX LOTS LOCATED AT THE NORTHEAST CORNER OF THE YOSEMITE DRIVE/STATE HIGHWAY 32 INTERSECTION (SUNSET DEVELOPMENT, LLC)

By memorandum dated 12/30/03, Planning Director Seidler and Senior Planner Murphy reported that at the Planning Commission meeting of 12/18/03, the Commission voted (3 in favor, 2 in opposition, 2 absent) to adopt a mitigated negative declaration and approve a vesting tentative parcel map and planned development permit (PDP) authorizing the subdivision of a 5.27 acre parcel into 25 single-family residential lots, 3 duplex lots, and 4 triplex lots. A minimum of 43 units would be located on the site at a net density of 9.4 units per acre. Proposed lots range in size from 4,000 square feet to 11,299 square feet with an average lot size of 5,156 square feet. As part of the PDP, the applicant is requesting a reduction in the City’s minimum lot width requirements and reduced building setbacks. Modifications to City subdivision design criteria and improvement standards are also being requested to allow the width of public alleys to exceed the City’s standard and to reduce the width of a portion of a public road below City standards. Access for the proposed subdivision would be via a series of public streets and alleys with one new access point proposed off Yosemite Drive. The California Park Association has filed an appeal citing that the proposed development will exacerbate existing drainage problems in the area, that the density of the project is too high, and that the project is inconsistent with the City’s Foothill Development Standards and R2 zoning district requirements. The property is located at the northeast corner of the Yosemite Drive/State Highway Route 32 intersection (Assessor’s Parcel No. 011-900-002).

The site is designated Medium Density Residential on the General Plan diagram with a zoning classification of R2 Medium Density Residential. The Planning Division recommended that a mitigated negative declaration be adopted for the project pursuant to the California Environmental Quality Act (CEQA).

Mayor Kirk, Councilmember Herbert and City Manager Lando disqualified themselves from the discussion and subsequent action and left the Chamber. Vice Mayor Jarvis opened the public hearing. Addressing the City Council on this item were Judy Demorris, B.T. Chapman, Richard Armstrong, Gary Solbert, Sharon Timber, Mary Jensen, and Jim Stevens. The hearing was closed to the public for further comment.

A motion was made by Councilmember Nguyen-Tan and was seconded by Councilmember
Gruendl to: (1) uphold the decisions of the Planning Commission as to both applications, with the modification discussed in the staff memorandum to add an additional condition of approval regarding storm water quantity and quality; (2) adopt a motion of intent to adopt the mitigated negative declarations and approve the subdivisions/planned development permits with an additional condition of approval as specified; including peer review of monitoring measures during construction and that the Yosemite Commons development be reduced by one lot, but that one unit without a garage be retained; and (3) direct staff to prepare resolutions for adoption at a future Council meeting.

By memorandum dated 12/17/03, Senior Planner Sigona reported that on 10/21/03, the City Council granted the appeal of Safeway and adopted a motion of intent to approve Planned Development Permit 02-07 to allow the construction and operation of a gas station at the northeast corner of East and Mariposa Avenues, within the East Avenue Marketplace Shopping Center. The Council directed staff to prepare a resolution of approval citing the required planned development permit findings, and listing appropriate conditions of approval. estimated 06/30/04 fund balance. The Director of Public Works recommended adoption of the resolutions
and approval of the supplemental appropriation.

A motion was made by Vice Mayor Jarvis and seconded by Councilmember Bertagna to adopt the
following resolutions and directed staff to (1) not award contracts for the design and environmental review
until the financial analysis has been provided to the Council; (2) to ensure that there will be a public
workshop discussion on the structure design; (3) investigate the feasibility of solar being included and

year.

4.3. CONSIDERATION OF PRELIMINARY REPORT ON THE PROPOSED CHICO PLAN AMENDMENTS

By memorandum dated 01/16/04, the Executive Director forwarded the Preliminary Report on the
Proposed Chico Plan Amendments for approval and referral to each affected taxing entity. The
Preliminary Report was prepared by Seifel Consulting, Inc., pursuant to the provisions of Section 33344.5
of the California Community Redevelopment Law (Health and Safety Code Section 33000 et seq.), as an
informational document so that all the taxing entities are aware of the substance of, and the reasons for
fiscally merging the Chico Merged and Greater Chico Redevelopment Projects. Upon approval of
Preliminary Report by the Chico Redevelopment Agency, staff will schedule informal consultations with
each taxing entity. Councilmembers Bertagna, Herbert and Wahl disqualified themselves from this item
based on the opinion received from the consulting law firm of McDonough, Holland & Allen. The Council
directed the City Attorney to re-analyze the issue of these disqualifications, and staff to contact the
California Redevelopment Association to determine if it was interested in sponsoring legislation to create
an exemption for plan amendments which do not change existing project area boundaries.

2.2. **ORDINANCE OF THE CITY COUNCIL OF THE CITY OF CHICO APPROVING A DEVELOPMENT AGREEMENT BETWEEN THE CITY OF CHICO AND 1200 PARK AVENUE LIMITED PARTNERSHIP (L.P.) FOR DEVELOPMENT OF SENIOR HOUSING ON PROPERTY IDENTIFIED AS 1240 PARK AVENUE - Introductory Reading**

By memorandum dated 01/6/04, Senior Planner Sigona reported that this ordinance would provide a two-year extension for execution of a development agreement between the City and “1200 Park Avenue Limited Partnership (L.P.)” for development of a 113-unit housing project for low and very low income senior households on 1.6 acres identified as 1240 Park Avenue. The previous ordinance authorizing the development agreement was approved by Council on 06/18/02, with a 09/30/03 deadline to execute the agreement. Because it took longer than expected for the project proponents to acquire the property and form a legal partnership for project funding, a two-year extension of time is requested. The agreement previously listed the Housing Authority of Butte County and the Affordable Housing Development Corporation, as developers of the project, and has been updated to reflect the new partnership (1200 Park Avenue L.P.). No other provisions of the agreement have been modified. A mitigated negative declaration of environmental impact was previously adopted pursuant to the California Environmental Quality Act (CEQA). The Planning Director recommended that the City Council introduce the ordinance by the reading of the title only, and schedule a public hearing and final adoption for 02/03/04.

2.3. **ADOPTION OF RESOLUTIONS LEVYING ASSESSMENT INSTALLMENTS IN LIEU OF THE PAYMENT OF SEWER SYSTEM CONNECTION FEES INCIDENT TO THE CONNECTION OF PREMISES TO THE CITY SEWER SYSTEM**

These assessments are in lieu of payment of the sewer system connection fees which would ordinarily be due and payable at the time of connecting the premises to the City’s sewer system. The Director of Public Works recommended adoption of the resolutions.

2.4. RESOLUTION NO. 71 03-04 — A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF CHICO
AMENDING THE CITY’S FEE SCHEDULE (AMENDMENT NO. 283 - SOLID WASTE COLLECTION AND
RECYCLING FEES)

At its 01/06/04 meeting, the City Council approved increasing the solid waste and recycling collection
rates by 6.2% to compensate the solid waste collectors for increases in the Consumer Price Index since
July 2001, and the landfill disposal fee increase recently adopted by the County of Butte. This resolution
confirmed Council’s action by amending City of Chico Fee Schedule No. 10.040 (Solid Waste Collection
and Recycling Fees) to reflect this increase. The City Manager recommended adoption of the resolution.

2.5. APPROVAL OF SUPPLEMENTAL APPROPRIATION NO. 03-04 10 TO PROVIDE FUNDS TO
REIMBURSE HIGNELL DEVELOPMENT GROUP FOR THE DEDICATION OF LAND AND ACTUAL
COST OF IMPROVEMENT FOR NOB HILL PARK PHASE 2 AND DEAD HORSE SLOUGH LINEAR
PARK AND BIKE PATH

By memorandum dated 01/13/04, the Assistant Community Development Director reported that at its
meeting held 05/21/02, the City Council classified Nob Hill Park, located west of Bruce Road on
Lakewest Drive, as a neighborhood park thus eligible for park fee credits or reimbursement. The park was
improved by the Nob Hill Subdivision and Husa Ranch Estates Subdivision developers and is eligible for
park fee credits pursuant to Chico Municipal Code Section 3.85.525. In addition, the developer of Husa
Ranch Estates dedicated land for a linear park along Dead Horse Slough, installed improvements, and
is eligible for fee credits. As most building permits have been issued and park impact fees paid for the Husa Ranch development, reimbursement was proposed rather than fee credits. This Supplemental Appropriation allocated $285,592 from the Neighborhood Park Zone “I” Fund (347) for the park fee credits and overhead, and $47,726 from the Community Park Fund (330) to cover the linear park reimbursement and overhead. The City Council was provided with copies of the respective Fund Summaries which reflect the estimated 06/30/04 fund balances. The Assistant Community Development Director recommended approval of the supplemental appropriation.

2.6. APPROVAL OF SUPPLEMENTAL APPROPRIATION NO. 03-04 12 IN THE AMOUNT OF $75,000 TO ALLOCATE FUNDS FOR THE INCREASED COST OF BOOKING FEES

Approximately two years ago, the Butte County Sheriff’s Department took over the billing for booking fees from the County Auditor. Upon doing so, the Sheriff’s Department discovered that fees collected up to that point had been under-billed. The Sheriff’s Department also determined that its system for capturing the information about which bookings to be billed was deficient, resulting in inaccurate and delayed billings. Since the City’s 2003-04 budget request was based on prior actual expenditures, it is insufficient to cover the fees which resulted when the billings were corrected. In addition, in June of 2003, the Butte County Board of Supervisors, recognizing that there had been no increase in booking fees in the 10 years the fees had been allowed, sought to approve a fee increase. Following negotiations with law enforcement agencies, the fees were increased 50% for the 2003-04 fiscal year. This supplemental appropriation allocates $75,000 from the General Fund (001) to provide sufficient funding to cover current and anticipated booking fees for the remainder of the 2003-04 fiscal year. The City Council was provided with a copy of the General Fund (001) Fund Summary which reflects the estimated 06/30/04 fund balance. The Chief of Police recommended approval of this supplemental appropriation.

2.7. APPROVAL OF SUPPLEMENTAL APPROPRIATION NO. 03-04 14 IN THE AMOUNT OF $185,600 TO ALLOCATE FUNDS FOR THE NORTHWEST CHICO SPECIFIC PLAN STORM DRAINAGE MASTER PLAN (13045)

A storm drainage Master Plan (hydraulic study) for the Shasta Union Drainage Assessment District (SUDAD) was required in order to complete the Northwest Chico Specific Plan Environmental Impact Report. During work on the storm drainage portion of the EIR, it was determined that no accurate hydraulic data was available for the SUDAD to be able to derive a storm drainage criteria for the specific plan area. The Master Plan establishes the detention basin criteria for designing drainage infrastructure within the specific plan area, and provides guidance to City staff in its review of the design of proposed storm drainage infrastructure. This Supplemental Appropriation allocates $185,600 from the Private Development Fund (862). The City Council was provided with a copy of the Private Development Fund (862) Fund Summary which reflected the estimated 06/30/04 fund balance. The Director of Public Works recommended approval of this supplemental appropriation.

2.8. APPROVAL OF CITY’S STATEMENT OF INVESTMENT POLICY

By memorandum dated 12/16/03, the Finance Director submitted the City’s Statement of Investment Policy as required by California Government Code §53646, and as set forth in Administrative Procedure and Policy No. 15-13. The Finance Director recommended that no changes be made to the existing policy.

2.9. INITIATION OF MODIFICATION OF USE PERMIT 98-1 (HUGHES/PDQ MARKET) WITHOUT PAYMENT OF FEES TO MAKE THE RESTRICTION ON FUEL DELIVERIES CONSISTENT WITH FUEL DELIVERY RESTRICTIONS INCLUDED IN PLANNED DEVELOPMENT PERMIT 02-07 (SAFEWAY/RHL DESIGN)

By memorandum dated 1/20/04, the Planning Director reported that at its 1/6/04 meeting, the Council directed staff to place this matter on its 1/27/04 consent agenda. Council approval of this item would enable the holder of Use Permit 98-1 to apply at no fee for a modification of the use permit (should the permittee desire to do so) that would make fuel delivery time restrictions consistent with the restrictions included in the planned development permit approved on 1/6/04 for Safeway (PDP 02-07).
2.10. APPROVAL OF CITY COUNCIL MINUTES FOR ITS MEETINGS HELD ON 10/21/03, 11/4/03 AND 11/18/03 — This item was removed from the Consent Agenda and heard under Item 4.1.

A. Adoption of Traffic Regulation Amendment No. 773 which authorized the installation of stop signs on Hudson Drive at Valley Forge Drive to assign the vehicular right-of-way for the intersection.

B. Adoption of Traffic Regulation Amendment No. 774 which authorized the installation of stop signs on Crister Avenue at Hooker Oak Avenue and on Filbert Avenue at Wayne Lane and Crister.

2.12. ACCEPTANCE OF THE ANNUAL REPORT OF THE CHICO REDEVELOPMENT AGENCY FOR FISCAL YEAR 2002-03

By memorandum dated 12/31/03, the Housing Officer previously distributed this report to Council. The report was available for public review in the City of Chico Housing Office. Community Redevelopment Law requires that the Chico Redevelopment Agency prepare and submit an annual report to the City Council, acting in its capacity as the Executive Board of the Agency, prior to 12/31/03, and that the Council review and accept the report, or take any action deemed appropriate, at its first meeting occurring at least 21 days following receipt of the report. The Housing Officer recommended acceptance of the report.

2. **CONSENT AGENDA** — The Chico Redevelopment Agency acted in its capacity as both the Chico Redevelopment Agency and the Chico City Council for consideration of Item 2.1. A motion was made by Vice Mayor Jarvis and seconded by Councilmember Herbert to approve the following Consent Agenda:

2.1. **RESOLUTION NO. RDA 04-04** — A RESOLUTION OF THE CHICO REDEVELOPMENT AGENCY, APPROVING A LOAN OF FUNDS FROM THE AGENCY’S LOW AND MODERATE INCOME HOUSING FUND TO COMMUNITY HOUSING IMPROVEMENT PROGRAM, INC. FOR DEVELOPMENT OF A MULTI-FAMILY APARTMENT COMPLEX ON NOTRE DAME BOULEVARD, EAST OF HUMBOLDT ROAD, CHICO, CALIFORNIA, AS A LOW INCOME HOUSING PROJECT

RESOLUTION NO. 80 03-04 — A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF CHICO ALLOCATING EIGHTY SIX (86) UNITS OF EXISTING ARTICLE XXXIV AUTHORITY TO THE AFFORDABLE RENTAL HOUSING PROJECT ON NOTRE DAME BOULEVARD DEVELOPED BY THE COMMUNITY HOUSING IMPROVEMENT PROGRAM, INC (City Council Action)

RESOLUTION NO. 81 03-04 — A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF CHICO AUTHORIZING: (1) THE LEASE OF CITY OWNED PROPERTY ON NOTRE DAME BOULEVARD (APN# 002-180-091) TO THE COMMUNITY HOUSING IMPROVEMENT PROGRAM, INC. (CHIP) FOR DEVELOPMENT AS AN AFFORDABLE RENTAL HOUSING PROJECT AND (2) THE CONVEYANCE OF THE PROPERTY’S FEE TITLE TO CHIP IN THE EVENT A PUBLIC AGENCY REQUIRES THE CONVEYANCE AS A CONDITION OF ITS FUNDING (City Council Action)

At its meeting held 9/2/03, the Chico Redevelopment Agency adopted a motion of intent to provide financial assistance to the Community Housing Improvement Program (CHIP) for development of an 86 unit affordable rental housing project on City owned property located on Notre Dame Boulevard. The motion directed that final approval be placed on a future consent agenda together with revised elevations for the project. By memorandum dated 2/11/04, the Housing Officer provided revised architectural drawings of the proposed building exterior.

Adoption of the Chico Redevelopment Agency resolution would approve a loan in the amount of $2,580,000 to CHIP for a portion of the project’s development financing. A confirming supplemental appropriation to allocate $2,580,000 from the Chico Merged Redevelopment Project Area Low and Moderate Income Housing Fund (371) will be processed following this meeting.
Adoption of the first City Council resolution would allocate 86 units of “Article 34” authority for this project. Article 34 of the State Constitution requires local approval of “low rent housing projects” which are defined as rental housing projects where more than 49% of the units will be rent restricted for lower income households and which is receiving public financial assistance.

The second City Council resolution authorizes the City Manager to execute a lease agreement with CHIP for the housing site. In addition, in the event one of the public agencies providing financing requires that fee title of the property be vested in CHIP, the City Manager was authorized to transfer title of the housing site to CHIP. Authority to transfer title of the property required an affirmative vote of five Councilmembers. The Housing Officer recommended adoption of the resolutions.

Adjourned to a City Council meeting.
1. **CALL TO ORDER** — Mayor Kirk called the February 17, 2004 - Adjourned Regular Chico City Council meeting to order in the Chico Municipal Center, Council Chamber, 421 Main Street at 7:00 p.m.

1.1. Roll Call — Present: Bertagna, Gruendl, Herbert, Jarvis, Nguyen-Tan, Wahl, Kirk
    Absent: None

2. **CONSENT AGENDA** — A motion was made by Councilmember Bertagna and seconded by Councilmember Gruendl to approve the Consent Agenda, as read:

2.1. **APPROVAL OF BUDGET MODIFICATION NO. 03-04 11 TO INCREASE HOURLY PAY RATE FOR HEAD LIFEGUARD POSITION, TO INCREASE THE HOURLY INCENTIVE PAY RATE FOR LIFEGUARDS WORKING THROUGH END OF SEASON, AND TO AUTHORIZE THE PAYMENT OF CERTAIN LIFEGUARD TRAINING COSTS**

To continue to be competitive with other agencies in attracting and retaining qualified lifeguards for summer guard duties at Sycamore Pool, and to retain their services through the season ending Labor Day weekend, the City has periodically adjusted its pay rates for the various guard positions and has offered additional hourly pay incentives. Recruiting qualified applicants for the Head Lifeguard and Assistant Head Lifeguard positions can be particularly difficult. Staff is proposing that the current incentive pay for staying through the end of the season be increased from $0.50 per hour to $1.00 per hour, and that the hourly pay rate for the Head Lifeguard position be increased from $10.00 per hour to $11.50 per hour. Also, in order to maximize the availability of trained lifeguards, and to re-certify those whose certificates may expire during the summer swimming season, staff is proposing that the City pay the cost of training the Head and Assistant Head Lifeguards as Instructor Lifeguards to provide lifeguard training. Finally, as a further incentive for lifeguards to remain through the end of the summer season, staff is proposing that the City reimburse eligible lifeguards up to a maximum of $150 for training costs they may have incurred in order to become certified for City employment as a lifeguard. The Park Director has indicated that there are sufficient funds in the Park Operating budget to cover the increases for the 2003-04 fiscal year. Pursuant to the authority granted by Annual Budget Policy No. C.2., this request was submitted directly to the City Council without prior consideration by the Finance Committee. The Park Director and Personnel Director recommended approval of this budget modification.

2.2. **INCLUSION OF THE HOTEL DIAMOND BUILDING IN THE CITY'S HISTORIC RESOURCE INVENTORY**

By memorandum dated 2/10/04, the Planning Director reported that the building originally built in 1904 as the Diamond Hotel, and now being reconstructed as the Hotel Diamond, was not included in the City's Historic Resource Inventory. The Planning Director recommended that the City Council approve the inclusion of this structure in the City's Historic Resource Inventory. Councilmember Wahl disqualified himself on this item and subsequent action.

**Posted Addendum Item:**

2.3. **MINUTE ORDER - AUTHORIZATION FOR THE CITY MANAGER TO EXECUTE A GRANT APPLICATION FROM THE FEDERAL AVIATION ADMINISTRATION FOR DISCRETIONARY AIRPORT IMPROVEMENT PROGRAM FUNDING**
The City of Chico was contacted by the Federal Aviation Administration (FAA) and asked to submit an application for an available discretionary Airport Improvement Program grant. The funding would be used to fund projects identified in the airport master plan and the airport capital improvement program. The amount tentatively offered by the FAA is $3,538,750 which requires a local match of $186,250. The funding will be predicated on several factors, including availability of funds, adoption of the airport master plan, and compliance with National Environmental Policy Act requirements. The Airport Manager recommended approval of the minute order.

The motion to approve the Consent Agenda, as read, carried by the following vote:

AYES: Bertagna, Gruendl, Herbert, Jarvis, Nguyen-Tan, Wahl, Kirk

4.2. JOINT MEETING OF THE CITY COUNCIL AND PLANNING COMMISSION TO CONSIDER ALTERNATIVE CONCEPTS FOR THE NORTHWEST CHICO SPECIFIC PLAN, AND COUNCIL DIRECTION TO STAFF REGARDING AN ALTERNATIVE OR COMBINATION OF ALTERNATIVES THAT WILL PROVIDE A BASIS FOR PREPARATION OF THE SPECIFIC PLAN AND ENVIRONMENTAL IMPACT REPORT (EIR) — Council and Planning Commission consideration of the Northwest Chico Specific Plan and Environmental Impact Report, was heard from 7:00 - 8:30 p.m.

By memorandum dated 2/10/04, the Planning Director reported that pursuant to Council direction, three alternative concepts have been prepared (two, Alternatives A and B, based on public participation, and one, Alternative C, representing the desires of landowners in the area who wish to develop their properties) for the Northwest Chico Specific Plan. Each of these alternatives consists of different design features and approaches to development of the area included in the Specific Plan. The Planning Director recommended that the Council and Planning Commission consider these three alternative concepts, and that the Council, with the assistance of the Commission, provide direction indicating which alternative (or combination of features) will serve as the basis for completion of the Specific Plan and the EIR. Further recommendations were included in the 2/10/04 memorandum. The members of the Planning Commission individually addressed the City Council regarding this item. Comments were heard from Jim Mann, Dave O’Farrill, Barbara Hanna, Jim Adams, Kelly Meagher, Juanita Sumner, Greg Webb, John Nock, and Rob Ramley.

The City Council recessed for a ten-minute break at 8:50 p.m. and reconvened at 9:00 p.m.

Staff received comments or questions from the Council and was directed to bring this item back at its meeting of 3/2/04. A summary of those comments/questions are listed as follows:

**Mixed-Use Neighborhood Center**

- No to commercial at west end of the area (no commercial at Eaton).
- Conflicted feelings about commercial being located at the school site.
• Look at the effects of having the commercial core near the school.

• Commercial at linear park is a good idea.

• Explore locating a commercial core at the entrance of the linear park adjacent to the Esplanade.

**Esplanade Character**

• How does bicycle circulation interface with Esplanade design?

**Street Connectivity and Block Length**

• Can we put more roads through the linear park?

• Cul-de-sacs should be no more than 500' long.

**Development Fronting on Major Streets**

• Esplanade approach to Eaton Road is a good idea.

**Storm Water Detention**

• Can we combine the linear park and green strips (detention swales)?

• Can we combine the linear park in Alternative A with the PG&E easement of Alternative B?

• Can the Alternative C treatment of the PG&E easement be tied into the linear park and still deal with drainage?

• Look at curving the linear park to the north at the west end to link to the Mud Creek greenway.

• The landowner adjacent to DeGarmo Park does not want the park to take his property as part of the proposed entrance in Alternative A.

• Want more information on drainage in Alternative A but generally like the concept.

**Pedestrian Bridge over Highway 99**

• A pedestrian bridge to DeGarmo Park seems costly. Provide some details.

• Concern about the safety of a pedestrian bridge over the freeway.

**Nord Highway Overcrossing at Highway 99**

• Look at an eventual street crossing of Highway 99 at Nord Highway – although not as a part of this plan.

• What are the timing and planning implications of a new overpass: who pays, when?

**Treatment of the PG&E Easement**

• Do Alternatives A and B respect parcel lines, especially at the PG&E easement?

• A road along the PG&E easement is a good idea.

• Alternative C for the PG&E easement may not be attractive, but it is practical.
Agricultural Buffer

• How can Alternative C be tweaked to address the agricultural buffer issue?

Sycamore Creek Bridge

• Look at the implications of a bridge to the north, across Sycamore Creek.

Street Frontage on Creeks

• What are the differing development conditions for development fronting onto, or backing onto, the creek and levee?

General Comments Requiring Response

• Most traffic seems to go through the Brentwood Subdivision.

• Roads on Alternatives A and B should avoid the Nord crossing of Mud Creek.

• Can more variety for size of lots be provided?

• Dwelling unit counts differing from the General Plan seems odd.

APPROVAL OF A SUPPLEMENTAL APPROPRIATION IN THE AMOUNT OF $13,830 FOR THE PURCHASE OF AUTOCAD DESIGN AND DRAFTING SOFTWARE

By memorandum dated 03/02/04, the Director of Public Works reported that due to ongoing changes to computer design and drafting software technology and to marketing policies of the manufacturer, the City typically upgrades its AutoCAD software every two years. A request for the software was prepared for consideration by the City Council as part of the 2004-05 capital budget. However, the City was informed last week that effective 03/15/04, AutoCAD will repackage certain software products and market them in a different manner. As a result, if the City purchases the upgraded software after 03/15/04, the cost would be $9,353 more than if it is purchased before 03/15/04. Staff is requesting approval of a supplemental appropriation in the amount of $13,380 from the Capital Projects Fund (400) to acquire the
software this fiscal year. Because all direct expenses from this fund are allocated proportionately to all capital projects, the estimated 06/30/04 fund balance is $0. An administrative supplemental appropriation confirming Council’s action will be processed following this meeting. The Director of Public Works recommended approval of the supplemental appropriation.

A motion was made by Councilmember Herbert and seconded by Councilmember Bertagna to approve the supplemental appropriation in the amount of $13,830 for the purchase of the autocad design and drafting software.

2.1. APPROVAL OF BUDGET MODIFICATION AND SUPPLEMENTAL APPROPRIATION TO PROVIDE FUNDING FOR THE WEST 8TH AVENUE RECONSTRUCTION PROJECT (10011)

By memorandum dated 04/13/04, the Director of Public Works explained the need to modify the funding of the West 8th Avenue Reconstruction Project (10011), and recommended approval of a budget modification and supplemental appropriation. The project was originally programmed for the 2004 construction season with reimbursement from the State Transportation Improvement Program. The project was ready to bid for construction, but due to the State budget situation the funding had been delayed and was to be reprogrammed. The Department has identified funds in other projects which were scheduled for construction in future years, that might be utilized now to construct West 8th Avenue this year. These funds were requested in the 2004-05 budget, but to take advantage of prime construction weather and the reduction in traffic during the summer season, the most advantageous time to initiate construction is early June. To accomplish this, funding must be in place to be able to award the construction contract prior to the approval of the 2004-05 budget. A budget modification has been recommended to fund the West 8th Avenue Reconstruction Project by transferring funds from the Manzanita Avenue Corridor project (19012) to Project 10011, and then transferring funds from the Cohasset Road Widening project (12066) back into the Manzanita Avenue Corridor project. In addition, staff requested a supplemental appropriation in the amount of $1,688,449 as outlined in the staff report. The Director of Public Works recommended approval of the budget modification and supplemental appropriation.

A motion was made by Councilmember Bertagna and seconded by Councilmember Nguyen-Tan to approve the budget modification and supplemental appropriation to provide funding for the West 8th Avenue Reconstruction Project (10011) with the transfers and allocations to be reflected in the 2003-04 estimated expenses and in the 2004-05 capital budget.

4.2 BUDGET REVIEW

A. Update on Redevelopment Plan Amendments to Fiscally Merge the Chico Merged and Greater Chico Redevelopment Project Areas
By memorandum dated 04/13/04, the Budget Officer provided an update on the proposed Redevelopment Plan Amendments to fiscally merge the Chico Merged and Greater Chico Redevelopment Projects.

The Chico Redevelopment Agency was provided with, and considered, the following documents:

B. Chico Merged Redevelopment Project Area Low and Moderate Income Housing Fund Summary

C. Greater Chico Urban Area Redevelopment Project Area Low and Moderate Income Housing Fund Summary

4.3. REPORT REGARDING REMEDIAL ACTION PLAN FOR HUMBOLDT ROAD BURN DUMP STATUS

By memorandum dated 4/09/04, the City Manager submitted a status report regarding the cleanup activities underway for the Humboldt Road Burn Dump. No action was being requested or required. Staff was available to answer questions regarding the status of both the public and private property cleanup activities. Staff was directed to provide the City Council and interested parties with an outline of the formal process regarding public input on the RAP.

4.4. CONSIDERATION OF PARKING STRUCTURE ISSUES

A. Proposed New Parking Structure

At its meeting held 01/27/04, the Agency allocated funds for the design, environmental review, and financial analysis for a multi-story parking structure on Municipal Parking Lot No. 1, but directed staff not to award bids for the design and environmental review until the Agency had been provided with a copy of the financial analysis. By memorandum dated 04/13/04, the City Manager forwarded the financial analysis prepared by Suzanne Harrell, the City’s financial advisor, and a recommendation that the Council authorize proceeding with environmental review and design of a parking structure with one ground floor and three elevated levels with the structural support designed to handle an additional level if it is determined to be necessary in the future.

In addition, at its 02/17/04 meeting, the City Council scheduled a discussion regarding consolidating the transit center with the proposed parking structure. The Council also directed staff to determine the status of CSU, Chico’s parking study and to obtain an opinion from the Butte County Association of Governments (BCAG) regarding relocating the transit center from 2nd and Salem to this location. Representatives from CSU, Chico were not present to discuss the CSUC parking study. The Council was provided with the following:

1. Letter dated 03/17/04, from BCAG forwarding its recommendation regarding relocating the transit center.

2. Memorandum dated 04/01/04, from Management Analyst Herman forwarding the recommendations from the Community Transit Advisory Committee.

B. Refunding 1994 Parking Revenue Bonds

In 1994, the City issued bonds for the construction of the existing parking structure. The debt service on the 1994 Parking Revenue Bonds is funded from the Parking Revenue Fund (853). Therefore, Ms. Harrell reviewed the 1994 bonds as part of the financial analysis and has advised that because the rates are currently much lower than the 1994 bond rates, refunding the remaining bonds would reduce the City’s debt service obligation. A preliminary analysis of the refunding was included in the report forwarded under Item 4.4.A. In addition, 08/01/04, is the next date on which the City could call bonds in order to allow the private use of parking spaces in the Downtown Parking Structure by the Diamond Hotel.

Therefore, since some of the bonds must be called in August, the City Manager recommended that the 1994 bonds be refunded at the same time. Since the City Council concurred, a resolution
authorizing the execution of agreements for the professional services of a financial advisor and bond counsel will be placed on a future consent agenda.

-------------------------------------

A motion was made by Councilmember Bertagna and seconded by Councilmember Wahl to: (1) authorize proceeding with environmental review and design of a parking structure using a series of meetings with interested parties on various design components, such as commercial space, space for the Farmer’s Market, restrooms, and size of structure; (2) adopt a motion of intent to raise meter rates to fund the new structure and increase enforcement hours based on the assumptions in the staff report; and (3) proceed with refunding of 1994 bonds supported by meter revenue only.

By memorandum dated 4/7/04, Projects Manager Wood reported that the Lot Cleaning/Weed Abatement Program is conducted each year under the provisions of the California Government Code. Pursuant to those provisions, the City is required to inspect properties located within the City limits and determine
which properties contain weeds, rubbish, refuse, and/or debris which constitute a fire hazard, or may become a fire hazard, if not abated.

Adoption of this resolution declared that noxious, combustible, or dangerous weeds and/or rubbish, refuse, and/or debris existing on the properties set forth on Exhibit “A” attached to the resolution constitute, or have the potential to constitute, a public nuisance which must be abated. The resolution also sets a public hearing for 5/4/04. The purpose of the hearing is to consider all objections to the proposed removal of weeds, rubbish, refuse, and/or debris, and the assessment of the cost of such removal and to set a deadline for the removal of weeds, rubbish, refuse, and/or debris. The Projects Manager recommended adoption of the resolution.

2.4. MINUTE ORDER NO. 04-04 — AUTHORIZATION FOR THE CITY MANAGER TO EXECUTE AN ON-AIRPORT LEASE BETWEEN THE CITY OF CHICO AND THE UNITED STATES OF AMERICA AND RELATED OPERATIONS AGREEMENT (AIR TRAFFIC CONTROL TOWER)

At its meeting of 3/30/04, the Airport Commission approved a minute order (4 in favor, 1 absent) recommending that the City Council authorize the City Manager to execute a lease agreement and related operations agreement.

The lease agreement will cover the 20-year period commencing 7/1/03 through 6/30/23. Because the term of the lease exceeds 15 years, City Council approval was required. The Airport Manager recommended approval of the minute order.

2.5. APPROVAL OF SUPPLEMENTAL APPROPRIATION TO PROVIDE ADDITIONAL FUNDING IN THE AMOUNT OF $65,000 TO PROCESS A SPHERE OF INFLUENCE AMENDMENT AND TO INITIATE ANNEXATION FOR THE SALVATION ARMY PROPERTY LOCATED AT 13434 BROWN’S VALLEY DRIVE AND TO PROCESS THE WEST AVENUES AND EAST LASSEN ANNEXATIONS

By memorandum dated 04/09/04, the Assistant Community Development Director advised that at its meeting held 12/16/03, the City Council allocated $7,500 from the General Fund (001) to provide funding to process an amendment to the City’s Sphere of Influence to add the property located at 13434 Brown’s Valley Drive and to initiate annexation of the property. It is the intent of the Salvation Army to establish a residential rehabilitation facility at the location. The consultant’s proposal to process the sphere amendment and annexation exceeds the budgeted amount by $5,000. In addition, the Council accepted the recommendation of the Internal Affairs Committee to initiate the West Avenues annexation. Also, the Local Agency Formation Commission directed the East Lassen Avenue annexation. Due to current work load, staff is recommending the use of a consultant to complete this work. This supplemental appropriation would allocate $65,000 from the General Fund for professional consulting services and other costs associated with the sphere amendment and the annexations. It is anticipated that revenues from the annexed areas will offset the costs incurred with the initial processing. The Assistant Community Development Director recommended approval of the supplemental appropriation. Councilmember Wahl disqualified himself on this item.

The mission of the Committee is to highlight the anniversary through existing annual events and special recognitions as well as a community event in Bidwell Park in July 2005 to coincide with the original donation by Annie Bidwell. The Committee has established a partnership with the Chico Chamber of Commerce as a co-sponsor and the Chico Creek Nature Center. The Committee intends to raise $10,000 through fund raising events and donations and is requesting City funding in the amount of $12,050. This supplemental appropriation would allocate $12,050 from the General Fund (001) to partially fund the July 2005 anchor event and general support for basic office supplies, stationery, postage, advertising, insurance and bookkeeping. Staff recommended
that this item be referred to the Finance Committee for consideration.

The property was acquired in order to obtain access to the property to perform the tests required for preparation of the risk assessment and remedial action plan for the Humboldt Road Burn Dump (HRBD). 3. NOTICED PUBLIC HEARINGS

By memorandum dated 05/07/04, the Executive Director reported that the purpose of this joint public hearing to consider and act upon the proposed Amendments to the Redevelopment Plans for the Central Chico, the Chico Municipal Airport, the Southeast Chico, and the Greater Chico Urban Area Redevelopment Projects, and on the Mitigated Negative Declaration on the Amendments. In addition, the Chico Redevelopment Agency will conduct a public hearing to consider and act upon the proposed Five Year Implementation Plan. All of these documents were contained in the Report to Council binder that was provided to the Council on 04/07/04.

Included in the agenda binder for this meeting were: (1) Affidavits of Publication; (2) Affidavits of Mailing; and (3) Certification of Certain Official Actions (Agenda Binder Tab A) in order that the documents will be entered into the record of the joint public hearing. In addition, the Council was provided with a Supplemental Report to Council (Agenda Binder Tab B) which included: (1) the Planning Commission Report and Recommendations finding that the proposed Plan Amendments are consistent with the City’s General Plan and recommending adoption of the Mitigated Negative Declaration; and (2) a record of all public comments received through the date this agenda was prepared.

The City Council was provided with a memorandum dated 5/18/04 from Assistant City Attorney Barker regarding the convening of a quorum by randomly selecting one of the disqualified Agency members to participate in the decisions regarding the redevelopment merger, and outlining the disclosures required prior to consideration of the merger.

Due to the disqualification of Councilmembers Bertagna, Herbert and Wahl and the incapacitation of Vice Mayor Jarvis, the City Attorney addressed the issue of whether a quorum would be able to be convened for consideration of this matter. It was noted that pursuant to the rule of “legally required participation,” and because of the specific extenuating circumstances of Councilmember Jarvis’ health, a quorum could be convened by randomly selecting one of the disqualified members to participate in the decisions regarding the redevelopment plan amendments.

The disqualified members drew lots and Councilmember Bertagna was selected to participate in the quorum. It was stated for the record that the original disqualification was: (1) due to Councilmember Bertagna being employed as a mortgage broker by Chico Valley Mortgage, the adoption of the plan could result in an increase of gross income to Chico Valley Mortgage of $20,000 or more in a fiscal year; and/or (2) the plan could result in an increase of $250 or more to Councilmember Bertagna’s personal income.

Disqualified Councilmembers Herbert and Wahl left the Chamber during the public hearing and subsequent action. Mayor Kirk opened the joint public hearing. Mary Cahill, General Manager of the Chico Area Recreation and Park District (CARD), addressed Council on the redevelopment plan amendments. The Mayor closed the hearing to the public.

The minute order also authorized execution of the revised Butte Interagency Narcotics Task Force Memorandum of Understanding which effects the consolidation of BINTF and BASS operation and authorizes the City to participate, along with various other agencies in Butte County, in a task force targeting the illegal production, distribution, and use of narcotics and other controlled substances. The BINTF Memorandum of Understanding is extended on a year-to-year basis and provides that each participating agency shall approve or disapprove the BINTF budget by no later than June 30 of each year. This minute order approves the BINTF General Budget for 2004-05. Because of the budget situation of all affected agencies and the availability of asset seizure funds, none of the local agencies are being asked to contribute funding for BINTF expenses for 2004-05. Contributions are expected to be required again in 2005-06. The Chief of Police has requested that the usual City contribution of $12,500 budgeted for BINTF non-salary expenses be used instead for department training and overtime costs in 2004-05. By memorandum dated 6/02/04, the Economic Development/Housing Specialist provided background on the annual update of the Comprehensive Economic Development Strategy (CEDS) requested by the Tri-County Economic Development Corporation (TCEDC). The Federal Economic Development Administration (EDA) requires that the CEDS project list be updated each year by each jurisdiction within the District. The projects contained in the CEDS must be consistent with the EDA’s economic development priorities and must provide technical assistance, financing or infrastructure. Because there have been no changes in the EDA’s priorities for the 2004-05 planning year, staff is recommending that the City submit the prior project list to TCEDC without changes. The City Clerk recommended: (1) that the bid for Legal Publications be awarded to the Chico Enterprise-Record; and (2) that bids for Display Publications be awarded to both the Chico Enterprise-Record and the Chico News & Review, with display publications to be placed in both newspapers as equally as possible.

    INSURANCE REQUIREMENTS - Final Reading and Adoption

    At its 5/18/04 meeting, the Council accepted the recommendation of the Finance Committee to modify the types and limits of insurance required for a taxi permit by separating the auto and business liability coverages into two policies, and to modify the limits of insurance.

    The ordinance establishes a requirement for automobile liability coverage for each taxi vehicle in the amounts of $100,000 per person and $300,000 per occurrence, with a minimum property damage limit of $50,000, and a requirement for business liability coverage with a minimum policy limit of $500,000.     All currently permitted taxi operators were provided with a copy of the ordinance, and notice that this matter is on the agenda at this meeting. In response to the notice, Stan Gungl of Merit Medi-Trans contacted staff to indicate that, unlike the taxi operators, the new insurance requirements would cause a significant increase in his insurance premiums. A mitigated negative declaration was proposed for this project pursuant to the California Environmental Quality Act (CEQA). The second appeal (filed by Todd Hall) regards increased traffic impacts to the neighborhood adjacent to the north of the project due to the removal of emergency traffic bollards from a proposed driveway that accesses Kentfield Road, thereby allowing a second full access at Kentfield Road in addition to the primary access road at East 1st Avenue.

CONSIDERATION OF REPORT AND RECOMMENDATIONS FROM THE FINANCE COMMITTEE ON ITS MEETING HELD AUGUST 25, 2004

By memorandum dated 8/26/04, the Finance Committee provided a report on its meeting held on 8/25/04. Committee members present were Councilmembers Gruendl, Wahl, and Nguyen-Tan, Chair.

COMMITTEE MATTERS REQUIRING COUNCIL ACTION AT THIS MEETING:

A. Approval of a Supplemental Appropriation to Fund an Update of the City’s Traffic Model. The Committee recommended the allocation of $51,000 from the Chico Merged Redevelopment Project Area Fund (351) and $51,000 from the Street Facility Improvement Fee Fund (308) to fund an update to the City’s traffic model.

It subsequently was determined that adequate professional services funds had been included in the 2004-05 Chico Redevelopment Agency Operating Budget to fund the redevelopment portion of this study. Therefore, this supplemental appropriation would allocate only the share of the study to be funded from the Street Facility Improvement Fee Fund (308).

The City Council was provided with a copy of the Street Facility Improvement Fee Fund (308) Fund Summary which reflects the estimated 06/30/05 fund balance. Councilmember Nguyen-Tan questioned why the total amount was not being funded out of the Street Facility Improvement Fee Fund (308) when it was his understanding that this fund was made up of fees collected from developers throughout the community for the purpose of maintaining the city streets. Councilmember Bertagna questioned why the Council was receiving a different legal opinion from what the Finance Committee had received. The City Attorney noted that when his office originally reviewed the request, it was in the context of a resolution which requires a specific finding under community redevelopment law. He further explained that due to how those findings work, it was now his opinion that the city would not be able to directly fund half of the study. He did indicate that the city could recover part of the cost of the study based upon the redevelopment projects already completed after the fact. Based on that information, the City Manager amended the Finance Committee’s recommendation to amend the supplemental appropriation to reflect the full amount of $102,000 from the Street Facility Improvement Fee Fund (308) for the update of the city’s traffic model.

A motion was made by Councilmember Wahl and seconded by Councilmember Gruendl to approve the supplemental appropriation modified to reflect an increase from $51,000 to $102,000 from the Street Facility Improvement Fee Fund (308), along with direction to staff to develop a mechanism to recover costs from future redevelopment projects.

The City Council was provided with a copy of the Community Park Fund (330) Fund Summary which reflects the estimated 06/30/05 fund balance. The Council was provided with a copy of an e-mail dated 9/7/04 from Susan Mason, President, Friends of Bidwell Park, asking that a copy of a letter from Josephine Guardino regarding Bidwell Ranch be included in the City Council agenda packet. Addressing the Council regarding this item were Marilyn Ey, Gloria Bettencourt, and Ken Fleming.

The Director of Public Works recommended adoption of the ordinance by reading of the title only.

2.2. ORDINANCE OF THE CITY COUNCIL OF THE CITY OF CHICO AMENDING THE CHICO MUNICIPAL CODE TO AUTHORIZE THE PURCHASE OF SUPPLIES, EQUIPMENT, AND SERVICES THROUGH FEDERAL, STATE, AND PUBLIC ENTITY COOPERATIVE PURCHASING PROGRAMS AND COMPETITIVE BIDDING PROCESSES AND TO MAKE NON-SUBSTANTIVE TECHNICAL CHANGES - Introductory Reading

   At its meeting of 9/21/04, the City Council accepted the Internal Affairs Committee recommendation from its 9/08/04 meeting to amend Section 3.08.060 entitled “Bidding Procedures - Dispensations - Exemptions” to allow the use of state and federal cooperative purchasing programs, as well as other public agency competitive bids, for the purchase of supplies, equipment and services. Such exemption from the purchasing procedures shall be conditioned on pre-approval by the Purchasing Officer, confirmation that the state, federal or other public agency has used an open and competitive bid process, and adequacy of budgeted funds. The City Manager recommended introduction of the ordinance by reading of the title only.

2.3. ORDINANCE OF THE CITY COUNCIL OF THE CITY OF CHICO AMENDING TITLE 19 OF THE CHICO MUNICIPAL CODE IN REGARD TO AIRPORT ZONES - Introductory Reading

   By memorandum dated 9/10/04, Principal Planner Bishow reported that at the Planning Commission meeting of 7/15/04, the Commission voted (6 in favor, 1 absent) to recommend amending the text of Title 19 regarding the Airport Zones to enhance the City’s ability to implement the General Plan and support the economic vitality of the airport area. The Planning Commission and Planning Director recommended that the City Council: (1) introduce the ordinance by reading of the title only; and (2) schedule the matter for public hearing on 11/02/04.
2.4. **ORDINANCE OF THE CITY COUNCIL OF THE CITY OF CHICO PREZONING PROPERTY AT THE SOUTHEAST CORNER OF LASSEN AVENUE AND ESPLANADE (ASSESSOR’S PARCEL NUMBER 006-044-002), FROM OR OFFICE RESIDENTIAL TO CC-PD COMMUNITY COMMERCIAL-PLANNED DEVELOPMENT OVERLAY ZONE (GENERAL PLAN AMENDMENT/REZONE 04-02 CROSSEN)** - This item was removed from the Consent Agenda and heard under Item 4.1.

2.5. **RESOLUTION NO. 42 04-05 — A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF CHICO AMENDING THE CITY’S FEE SCHEDULE (AMENDMENT NO. 289 - FRANCHISE APPLICATION FEES)**

Section 5.12.094 of the Chico Municipal Code (CMC) provided for the City to recover costs for processing an application for a new franchise award, a franchise transfer, or a franchise renewal for cable television services. City of Chico Fee Schedule 11.040 - Franchise Application Fee provided a non refundable $100 filing fee for franchise applications plus a cash deposit for other City expenses in connection with the application and award of a franchise. It was recently noted by staff that Section 5.12.094 of the CMC is inadvertently not referenced under the authority section of this fee schedule. Therefore, this resolution added this CMC section to the fee schedule as an administrative cleanup and to clarify that the fees provided for by this fee schedule also apply to processing cable television franchise applications and awards. The City Manager recommended adoption of this resolution.

2.6. **MINUTE ORDER NO. 26-04 — AN AUTHORIZATION FOR CITY MANAGER TO ENTER INTO AGREEMENTS TO ACQUIRE PROPERTY LOCATED AT 954 EAST AVENUE (APN 048-050-015) - WELLS FARGO BANK**

At its 01/06/04 closed session, the City Council authorized the negotiated purchase of a portion of 954 East Avenue (APN 048-050-015) from Wells Fargo Bank in connection with the City’s East Avenue/Cohasset Road intersection widening project. This minute order authorized the City Manager to execute a sales agreement and other documents necessary to acquire right of way and a temporary construction easement for $58,700. The Senior Assistant City Manager recommended approval of the minute order.

2.7. **APPROVAL OF REQUEST FOR ASSISTANCE FROM TRI-COUNTY ECONOMIC DEVELOPMENT CORPORATION (TCEDC) FOR THE BUSINESS INCUBATION PROGRAM**

At its meeting of 09/09/04, the Economic Development Committee reviewed the request from Tri-County Economic Development Corporation (TCEDC) for funding assistance for a Chico business through TCEDC’s Business Incubation Program. TCEDC was requesting $10,000 to provide approximately 200 hours of mentoring services to a local business in the areas of marketing, sales, and web site development. The City Council was provided with the Economic Development/Housing Specialist’s memorandum dated 09/02/04 providing background on the request from TCEDC and the potential funding sources for the request. Due to the length of this agenda, discussion of this item may be scheduled for the 11/2/04 City Council meeting in the event this item is pulled from the consent agenda. The Economic Development Committee recommended (2-0 (Bertagna, Kirk), Wahl and Nguyen-Tan absent) that the City Council approve funding in the amount of $10,000 for the Business Mentoring Program. The Committee recommended that the request be funded from the previously discontinued Community Development Block Grant Revolving Loan Fund balance which is held by TCEDC.

2.8. **APPROVAL OF MINUTES OF CITY COUNCIL MEETINGS HELD ON 7/6/04, 7/20/04, 8/3/04, 8/17/04 AND 9/7/04**

The City Council was provided with the minutes of its meetings held on 7/6/04, 7/20/04, 8/3/04, 8/17/04 and 9/7/04.
POSTED ADDENDUM ITEMS:

2.9. AUTHORIZATION FOR CITY MANAGER TO EXECUTE SUCH DOCUMENTS AS NECESSARY TO CONVERT THE GRANT TO 1200 PARK AVENUE LIMITED PARTNERSHIP (PARTNERSHIP) TO A LOAN AND/OR SUBSTITUTE THE HOUSING AUTHORITY OF THE COUNTY OF BUTTE (HACB), OR A NON-PROFIT CORPORATION CONTROLLED BY HACB, AS THE GRANTEE IN PLACE OF THE PARTNERSHIP

City staff was advised by HACB that the Grant Agreement between the 1200 Park Avenue L.P. and the City for $1,175,000 of City HOME Funds reduced the value of the project for potential investors in the senior housing project.

The investors are providing approximately $12,000,000 for the project’s development and HACB has requested modifications to the City's Grant Agreement to address the investor’s issue. Staff was requesting authority for the City Manager and/or HACB to execute such documents as necessary in order to accommodate the issues of the investors. The modifications would not result in an increase in funding from the City or a change in the developers of the project. By memorandum dated 9/30/04, the Housing Officer provided additional information on this item. The City Manager recommended approval of the modifications.

2.10. RESOLUTION NO. 46 4-05 — A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF CHICO APPROVING THE APPLICATION FOR CCHE GRANT FUNDS FOR THE CALIFORNIA CULTURAL AND HISTORICAL ENDOWMENT (CCHE) UNDER THE CALIFORNIA CLEAN WATER, CLEAN AIR, SAFE NEIGHBORHOOD PARKS, AND COASTAL PROTECTION ACT OF 2002 FOR USE IN THE OLD MUNICIPAL BUILDING RENOVATION PROJECT

By memorandum dated 10/1/04, the Community Development Director provided a resolution authorizing the application for CCHE grant funds, in the amount of $500,000, to be utilized for the Old Municipal Building renovation project. The Community Development Director recommended adoption of this resolution.

By memorandum dated 09/24/04, Senior Planner Vieg reported that at the Planning Commission meeting of 09/16/04, the Commission voted (5 in favor, 1 opposed) to recommend to Council the adoption of a negative declaration, approval of General Plan Amendment/Rezone 04-04, and consideration of development of a comprehensive use and management plan through a public process for the Bidwell Ranch property. The proposed amendment of the General Plan’s Land Use Diagram is from a mixed land use designation of **Open Space for Environmental Conservation/Safety and Very Low Density Residential** to **Open Space for Environmental Conservation/Safety**. The proposed zone change is from **PMU-RM-PD Planned Mixed Use-Resource Management-Planned Development** to **OS1 Primary Open Space**. In addition, various General Plan text amendments are proposed in order to ensure internal consistency within the General Plan. The Bidwell Ranch property is approximately 750± acres and is located northeast of the Sycamore Creek Diversion Channel and adjacent to the western edge of Upper Bidwell Park. The properties are identified as Assessor’s Parcel Nos. 016-230-010, 016-200-002, and 016-170-002. A motion was made by Councilmember Herbert and seconded by Councilmember Bertagna to continue the meeting to 10:30 p.m. The motion carried unanimously.

Councilmember Bertagna indicated that he could not support sending the issue to the voters until his questions were answered regarding the itemized cost(s) if the land was zoned open space, the proposed use of the land, who would be allowed access, and any funding losses if the zoning was changed. In addition, he asked staff to provide the Council with an update on the status of the FAA funding. He urged Council to continue the discussions in order to be provided with the additional information as requested.

In order to allow time for Council to receive the additional information as requested, Councilmember Bertagna withdrew his second to Councilmember Herbert’s motion. The motion died due to a lack of a second.

   At its meeting of 10/05/04, the City Council reintroduced this ordinance after removing two parcels identified as AP Nos. 005-422-011 and 005-422-012 (Mr. Patrick Kelly’s properties) from the proposed rezone associated with City adoption of the Chapman/Mulberry Neighborhood Plan. The Planning Director recommended adoption of the ordinance by reading of the title only.

2.2. **ORDINANCE NO. 2308** — AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF CHICO AMENDING THE CHICO MUNICIPAL CODE TO AUTHORIZE THE PURCHASE OF SUPPLIES, EQUIPMENT, AND SERVICES THROUGH FEDERAL, STATE, AND PUBLIC ENTITY COOPERATIVE PURCHASING PROGRAMS AND COMPETITIVE BIDDING PROCESSES AND TO MAKE NON-SUBSTANTIVE TECHNICAL CHANGES - Final Reading and Adoption

   Based on the City Council’s 9/21/04 acceptance of the Internal Affairs Committee recommendation from its 9/08/04 meeting to amend Section 3.08.060 of the Chico Municipal Code, the above ordinance was introduced at the 10/05/04 City Council meeting. The ordinance revised Section 3.08.060, entitled “Bidding Procedures - Dispensations - Exemptions," to allow the use of state and federal cooperative purchasing programs, as well as other public agency competitive bids, for the purchase of supplies, equipment and services. Such exemption from the purchasing procedures shall be conditioned on pre-approval by the Purchasing Officer, confirmation that the state, federal or other public agency has used an open and competitive bid process, and adequacy of budgeted funds. The City Manager recommended adoption of the ordinance by reading of the title only.

   **RESOLUTION NO. 48 04-05** — A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF CHICO AMENDING MANAGEMENT EMPLOYEES PAY AND BENEFIT RESOLUTION NO. 114 00-01 TO DELETE CERTAIN PROVISIONS RELATING TO PUBLIC SAFETY MANAGEMENT EMPLOYEES (AMENDMENT NO. 8 - 2001 MANAGEMENT EMPLOYEES PAY AND BENEFITS RESOLUTION)

   The City Council previously approved Resolution No. 114 00-01, and a number of amending resolutions, which set forth the pay, benefits, and other terms and conditions of employment for all City management employees, including those employees considered as Safety employees. Under State law, and the City’s personnel rules, certain Safety employees have the right to form an employee organization consisting solely of such employees for the purposes of negotiating pay, benefits, and other employment matters.

   The Safety management employees of the Police and Fire Departments (the two Chiefs, Fire Division
Chiefs, Police Captains and Lieutenants) have applied for and have been granted the right by the City Manager to form such an organization, which has been designated as the Public Safety Management Employees, effective 7/1/04.

The first resolution established a new set of pay and benefit provisions for the Public Safety Management Employees group which are based upon the previously approved pay and benefits resolutions for all City management employees. While the provisions have been updated to make them current, there have been no benefit enhancements or deletions from what such employees are currently entitled to receive. The second resolution amended Resolution No. 114 00-01 to delete those provisions which apply only to the Safety management employees and are no longer appropriate in the general management group resolution. The Personnel Director and City Manager recommended adoption of these resolutions.

2.4.

RESOLUTION NO. 49 04-05 — A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF CHICO AUTHORIZING THE SUBMITTAL OF A REUSE GRANT APPLICATION TO THE CALIFORNIA INTEGRATED WASTE MANAGEMENT BOARD

The California Integrated Waste Management Board (CIWMB) has established a Reuse Assistance Grant program to provide incentives to local agencies to develop and promote programs that encourage reusing materials that would otherwise be disposed of in a landfill. The reuse grants are only available to public entities and an agency may request up to $50,000 for a two-year grant term. In 2002, Habitat for Humanity established a “Restore” in Chico which accepts building and construction materials, such as doors, plumbing and electrical fixtures, windows, flooring, and lumber for resale to the public and for use in Habitat’s building projects. This project was very successful and effective in diverting these materials from the landfill. By memorandum dated 10/11/04, Management Analyst Herman forwarded a request from Habitat for Humanity that the City Council consider submitting a joint application for a Reuse Assistance Grant to help fund additional staffing and other equipment necessary to keep up with the demand and to expand the “Restore” project. Habitat staff will prepare the grant application and will provide the funds for the 50% local match grant requirement. Although City of Chico 2004-05 Budget Policy D.9 authorized the City Manager to submit grant applications on behalf of the City, the CIWMB requires a resolution of the governing body authorizing the submittal of this grant application. The City Manager recommended adoption of the resolution.

2.5.

RESOLUTION NO. 50 04-05 — A RESOLUTION AUTHORIZING THE COUNTY OF BUTTE TO SUBMIT A REGIONAL APPLICATION FOR A FISCAL YEAR 2004-05 WASTE TIRE AMNESTY DAY GRANT FROM THE CALIFORNIA INTEGRATED WASTE MANAGEMENT BOARD

By memorandum dated 10/5/04, Management Analyst Herman submitted a resolution authorizing the County of Butte to submit a regional “Waste Tire Amnesty Day Grant” application to the California Integrated Waste Management Board (CIWMB) on behalf of the cities of Chico, Gridley, Biggs, and the Town of Paradise for the establishment of a tire collection and recycling program. As a regional grant applicant, the County is eligible to receive up to $100,000. If awarded, the grant funds will be used to establish a public education program to inform residents on proper tire disposal and to hold at least two events within the county in which residents and businesses can dispose of and recycle used tires at no charge. The CIWMB requires each jurisdiction within Butte County to adopt a resolution authorizing the County to apply for the grant on its behalf and to act as the lead agency for the implementation of the grant. The City Manager recommended adoption of the resolution.

2.7. RESOLUTION NO. 52 04-05 — A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF CHICO INITIATING PROCEEDINGS TO ANNEX PROPERTY NOW LOCATED IN THE UNINCORPORATED TERRITORY OF THE COUNTY OF BUTTE TO THE INCORPORATED TERRITORY OF THE CITY OF CHICO - NORD AVENUE ANNEXATION DISTRICT NO. 18 (WESTSIDE NEIGHBORHOOD, LLC)

By memorandum dated 9/28/04, the Assistant Community Development Director forwarded a report on the initiation of annexation proceedings for nine parcels, with a total area of 59.46 acres, located in the area bounded by West Lindo Avenue, the Union Pacific Railroad, West 8th Avenue and Nord Avenue (State Highway Route 32). This annexation was initiated by the owners of three of the parcels, including two approved for development with the 141 lot Westside Place mixed use residential project. The other parcels are included in the annexation proposal to comply with LAFCo boundary standards and prohibition on creation of “islands” of unincorporated territory. Of the parcels not proposed for development, two are in orchard production and will likely remain so for the short term. The remaining five parcels are currently developed with industrial manufacturing and storage uses. Property owners are listed in the staff report. The Assistant Community Development Director recommended adoption of the resolution.

2.8. RESOLUTION NO. 53 04-05 — A RESOLUTION OF THE CITY OF CHICO APPROVING THE RENEWAL OF THE CHICO/NORTHERN BUTTE COUNTY RECYCLING MARKET DEVELOPMENT ZONE

In 1994, the City of Chico and surrounding area was designated as the Chico/Northern Butte County Recycling Market Development Zone (RMDZ) by the California Integrated Waste Management Board (CIWMB). The purpose of the RMDZ is to provide low-interest loans, technical assistance and free product marketing to businesses that locate within the zone and which use recycled materials from the waste stream to manufacture their products. The Chico/Northern Butte County RMDZ terminates in December 2004. By memorandum dated 10/14/04, Management Analyst Herman reported that this resolution authorizes the submittal of an application to the CIWMB for the renewal of the RMDZ for another ten years. Potential environmental impacts resulting from the establishment of the Zone in 1994 were analyzed as part of the Initial Study/Negative Declaration prepared for the City's Source Reduction and Recycling Element in 1992. No new impacts will result from the project as analyzed in the adopted Initial Study/Negative Declaration for the Source Reduction and Recycling Element; therefore, no subsequent environmental review is necessary. The City Manager recommended adoption of the resolution.

2.9. RESOLUTION NO. 54 04-05 — A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF CHICO APPROVING AND AUTHORIZING THE AMENDMENT TO THE JOINT POWERS AGREEMENT AND ESTABLISHING THE BUTTE COUNTY ASSOCIATION OF GOVERNMENTS (BCAG) AS THE ADMINISTRATOR AND OPERATOR OF THE BUTTE REGIONAL TRANSIT SYSTEM

By memorandum dated 10/15/04, Management Analyst Herman reported that this resolution authorizes the City Manager to execute an amendment to the Butte County Association of Governments (BCAG) Joint Powers Agreement to provide for the consolidation of the Chico Area Transit System, the Chico Clipper, and the other transit systems within Butte County, excluding the Gridley Flyer, and to authorize BCAG as the administering agency for the consolidated system. The City Manager recommended adoption of the resolution.

2.10. MINUTE ORDER NO. 27-04 — AUTHORIZATION FOR CITY MANAGER TO EXECUTE AN AMENDMENT TO EXTEND THE TERM OF THE LEASE WITH CHICO CREEK NATURE CENTER, INC.

At its 12/2/03 meeting, the City Council authorized the filing of an application for Proposition 40 Park Bond Act Grant funds to be used to replace a small office space and provide an additional classroom,
meeting space and restrooms at the Chico Creek Nature Center (CCNC) on City owned property leased by CCNC. While CCNC’s lease terminates on 12/31/20, a remaining term of 16 years, the grant requires a lease term of not less than 20 years after completion of the construction project. This minute order authorizes the City Manager to execute an amendment extending the lease to 12/31/27 to meet this grant requirement. The Bidwell Park and Playground Commission and Park Director recommended approval of the minute order.

2.11. MINUTE ORDER NO. 28-04 — AUTHORIZATION FOR THE CITY MANAGER TO APPROVE SPECIAL MANAGEMENT LEAVE FOR FINANCE DIRECTOR

Finance Director Martin had planned to retire in August 2004 but agreed to delay her retirement until her appointed replacement returned from maternity leave. Because she had planned to be retired by now, she does not have adequate vacation or management leave to cover time off for commitments and plans made prior to her agreement to work through the end of the year. This minute order authorizes the City Manager to approve 40 hours of special management leave for Finance Director Martin for the period through 12/30/04 or her retirement date, whichever first occurs. Any unused management leave would expire upon her retirement and no additional compensation would be paid. The City Manager recommended approval of the minute order.

Because the merger was completed in the second quarter of the fiscal year, Agency staff recommended that for the remainder of the 2004-05 fiscal year, the new funds be used only for capital budget adjustments occurring after 07/01/04 and that the Finance Director be authorized to process the necessary accounting adjustments at year end to reflect the transfer of funds from the Chico Merged (351 and 371) and Greater Chico Urban Area Redevelopment Project Area (368 and 369) funds into the newly established funds, and to consolidate the Chico Merged Art Fund (380) with the Greater Chico Art Fund (382).
