Please contact the City Clerk at (530) 896-7250 should you require an agenda in an alternative format or if you need to request a disability-related modification or accommodation in order to participate in a meeting. This request should be received at least three working days prior to the meeting in order to accommodate your request.
Information and Procedures Concerning Climate Action Commission Meetings

Public Participation:
All members of the public may address the Climate Action Commission on any item listed on the agenda. Public participation in the hearing process is encouraged.

Please step up to the podium microphone when addressing the Commission.

Each speaker will be asked to voluntarily state his/her name before speaking, and after speaking to voluntarily write his/her name on a record to be maintained by the City Staff.

The Commission and City staff will ensure order and decorum during all Commission meetings. Persons demonstrating rude, boisterous or profane behavior will be called to order by the Chair. If such conduct continues, the Chair may call a recess, requesting the removal of such person(s) from the Council Chamber, adjourn the meeting or take other appropriate action.

Time Limit:
Presentations should be limited to a maximum of three (3) minutes, unless otherwise determined by the Chair.

A speaker may not defer his/her time to other speakers.

Groups or organizations are encouraged to select a spokesperson to speak on their behalf. Each subsequent speaker is encouraged to submit new information, rather than repeating comments made by prior speakers.

Written Material:
The Climate Action Commission may not have sufficient time to fully review written materials presented at the public hearing. Interested parties are encouraged to provide written materials at least eight (8) days prior to the public hearing to allow distribution with the Climate Action Commission’s agenda packet to provide adequate time for review by the Climate Action Commission. Written materials submitted in advance of the public hearing must be submitted to the City of Chico, Community Development Department, 411 Main Street, 2nd Floor, or by mail to: P. O. Box 3420, Chico, CA 95927. Materials related to an item on this agenda submitted to the Climate Action Commission after distribution of the agenda packet are available for public inspection in the Community Development Department at 411 Main Street, 2nd Floor, Chico, CA 95928 during normal business hours.

Hearing Impaired:
Anyone who has difficulty hearing the proceedings of a meeting may be provided with a portable listening device by requesting one from the City Staff. The device works directly from the public-address system, and the listener can hear all speakers who are using a microphone.

Special Presentations:
Special presentations which include slides, films, etc. during the course of a meeting will only be allowed with prior approval of the Climate Action Commission.

Business from the Floor:
The Chair will invite anyone in the audience wishing to speak to the Climate Action Commission to identify themselves and the matter they wish to discuss which would involve matters not already on the posted agenda.

The Commission may also be direct that a matter be placed on a future agenda, provide direction to staff, or request that staff research a particular issue. No action may be taken until a subsequent meeting.

Agenda Copies are:
- Available at the meeting.
- May be mailed by subscription, at an annual cost set forth in the City of Chico Fee Schedule.
- May be picked up the Friday prior to the meeting at the Community Development Department without charge.
- Available on the internet at www.chico.ca.us

Copies of Agenda Reports are:
- Available for public inspection at City of Chico Community Development Department the Friday prior to the meeting.
- Copies may be obtained after payment of applicable copy fees.

Agenda Items:
The agenda items will be considered in the order listed unless the Commission requests a change. In order that all items may be considered, any item may be continued to another meeting if it appears there will be insufficient time for full consideration of the item.

Items Not Appearing on Posted Agenda:
This agenda was posted on the Council Chamber bulletin board at least 72 hours in advance of this meeting. For each item not appearing on the posted agenda, upon which the Climate Action Commission wishes to take action, the Commission must make one of the following determinations:
1. Determine by a majority vote that an emergency exists as defined in Government Code Sec. 54956.5.
2. Determine by a two-thirds vote, or by a unanimous vote if less than two-thirds of the Climate Action Commission is present, that need to take immediate action and that the need for action came to the attention of the City subsequent to the agenda being posted.

Use of Cell Phones During Meetings:
The Climate Action Commission appreciates your cooperation in turning off all cell phones.

Appeal of Climate Action Commission Decision:
Any aggrieved person or persons dissatisfied with a Climate Action Commission decision may appeal that decision to the City Council within 10 calendar days. In accordance with Government Code Section 65009, if any person(s) challenges the action of the Climate Action Commission, said person(s) may be limited to raising only those issues that were raised at the public hearing described in this notice, or in written correspondence delivered to the Climate Action Commission at, or prior to, the public hearing.
PUBLIC PARTICIPATION: This meeting is being conducted in accordance with Executive Order N-29-20. Members of the public may virtually attend the meeting using the City’s WebEx platform. Members of the public who wish to participate in public comments are encouraged to register in advance of the hearing by emailing climatepubliccomment@chicoca.gov, please add “PRE REGISTER FOR CAC” to the subject line. City staff will respond to your email prior to the meeting with a link to join as an attendee.

To provide comments, please submit an email with the subject line “PUBLIC COMMENT ITEM”, sent to climatepubliccomment@chicoca.gov during the meeting, prior to the close of public comment on an item. The public is encouraged not to send more than one email per item and not to comment on numerous items in one email.

4. BUSINESS FROM THE FLOOR/PUBLIC COMMENT

Addressing the commission on this item were: community member Jared Geiser who noted his support for fire fuels management in Bidwell Park. Geiser added that he was not supportive of the newly installed stop sign at 4th and Flume asked the city to investigate turning forestry debris into biochar rather than chipping.

5. REPORTS & COMMUNICATIONS

Associate Planner Marcussen briefed the commission on 4 items:

- The city has heard from Rincon that the previously prepared GHG inventory was done correctly.
- Staff is reviewing a draft CAP Update Outreach Plan. Outreach should take place from June-September. Staff added that these public engagement events as well as the listening sessions are the most appropriate venues to for community members to provide input on CAP measures.
- Rincon has put together an Excel document of existing measures that are in the CAP, General Plan and Bicycle/ Pedestrian Master Plan for staff to review. Staff is reviewing and rating these measures.
- Staff received a draft schedule from Rincon and would like to note that their team will be engaging with the commission at future meetings.

5. ADJOURNMENT

There being no further business from the commission, the meeting was adjourned at 7:47 pm to the Regular Meeting of Thursday, March 12th, 2020.
Energy Reduction Accomplishments

- Facilities – City owned and operated buildings
- Right-Of-Way (ROW) – City street infrastructure
- Airport
- Fleet – City Fleet and fueling operations
- Waste Water Treatment Plant
- Airport
- Internal Energy Audit Results
Ongoing energy reduction measures & projects

- Urban Forestry Program
- PG&E Sustainable Solutions Turnkey Program
- Groundwater Sustainability Agency (Vina GSA)
- Community Choice Aggregation (Butte Choice Energy)
Facilities lighting LED retrofit

• Equivalent to 40 metric tons of CO2 reduced annually

• $50,000 in cost savings annually

• Less than 2 year ROI
Streetlight LED Retrofit

- Leader - One of the first agencies to partner with PG&E
  - 2,267 PG&E-owned (LS-1)
  - 4,689 City-owned (LS-2)
- 50% reduction in energy
- Equivalent 1,060 metric tons of CO2 reduced annually
- $250,000 cost savings annually
Climate Action Commission - Accomplishments

Airport LED retrofits

- 40 apron lights
- 204 taxiway lights
- LED taxiway signs
Fleet

- Early compliance: CARB emissions regulations exceeding Particulate Matter (PM) and NOx requirements
- Updated vehicle use policy reducing take home vehicles by 30%
- Continuous fleet optimization
- Deployed bio-diesel program and now investigating renewable diesel feasibility
Climate Action Commission - Accomplishments

Fleet

• Converting fleet to EVs where possible during replacement cycles. (both sedans & medium duty trucks).
• Deploying EV charging stations in City parking lots.
Waste Water Treatment Plant

- Deployed industry first ammonia metering and dissolved solids technology in aeration basins
  - Real-time aeration fine-tuning
  - $130,000 annual savings

- Maintain 1-MW solar system and methane Co-Gen

- Annual utility costs are ~ $2,200,000 / yr.
- City has approximately 678 separate electric, natural gas, and water accounts (opportunity for Utility portfolio solution)
- WWTP and Street Lights are over 60% of total electric consumption and 65% of electric cost
- WWTP is 45% of peak demand
- WWTP consumes over 80% of the City’s annual natural gas usage
**Waste Diversion**

- Commercial/ Residential Recycling
- Yard waste Recycling
- Compost Facility ~20k tons/year
- Leaf Collection
- C&D Recycling
- Scrap Metals
- Asphalt Regrind
- Future Food Waste Diversion

Vegetative Fire Fuels Reduction:

- Goat Grazing – nearly 100 acres grazed in Bidwell Park and Foothill Preserve.
- California Conservation Corps Grant (8,000 hours).
- Cal Fire grant to develop Vegetative Fuels Management Plan.
- Ongoing removal of non-native invasive vegetation by volunteers and staff.
Climate Action Commission - Ongoing Efforts

• Urban Forestry Program
• PG&E Sustainable Solutions Turnkey Program
• Groundwater Sustainability Agency (Vina GSA)
• Community Choice Aggregation (Butte Choice Energy)
City of Chico Urban Forest Revitalization Program

- September 2018 City of Chico awarded a grant $425,811
- Total program including match $608,913
City of Chico Urban Forest Revitalization Program

Four Components:
• A. Conduct a new City-wide urban forest tree inventory
• B. Produce an Urban Forest Master Plan (UFMP) and Urban Tree Canopy Analysis (UTC) (i-tree Eco)
• C. Tree Replanting in Disadvantaged and Low-Income Communities SB 535/AB 1550
• D. Community engagement
City of Chico Urban Forest Revitalization Program

- GHG reduction:
- Tree Planting
- 700 new trees
- Carbon sequestration
- Utility offsets
City of Chico Urban Forest Revitalization Program

- GHG Data (CARB)
- 1764 Mt CO2e sequestered C
- 845 Mt CO2e energy savings
- (130 Mt CO2e) emissions

Net GHG benefits

= 2479 Mt CO2 e

Storm water reduction
Climate Action Commission - Ongoing Efforts

City of Chico Urban Forest Revitalization Program

• California Cap-and-Trade auction proceeds deposited into Greenhouse Gas Reduction Fund (GGRF), used to further the objectives of the California Global Warming Solutions Act of 2006 (Assembly Bill 32 (AB 32); Núñez, Chapter 488, Statutes of 2006)

• California Climate Investments (CCI) Urban & Community Forestry Program administered by CalFire
PG&E Sustainable Solutions Turnkey (SST) Program

- City-wide
- Facilities
- WWTP
- Currently conducting Investment Grade Audits (IGA)

- All City facilities are subject (Ongoing);
  - Audit will highlight specific energy saving measures for the city’s aging infrastructure
  - Audits will contain energy savings recommendations that can be realized through conventional energy retrofits or where possible deep energy retrofits (DER)

- DER’s are costly upfront and are harder to finance for cities.
- DER’s do generate a greater and more immediate return on investment
- Caution: retrofitting aging infrastructure can be more expensive than building new smart infrastructure
Groundwater Sustainability (Vina GSA)

- SGMA took effect 2015
- GSAs formed by 2017 (Agency with water supply, water mgmt., or land use jurisdiction)
- Groundwater Sustainability Plans (GSP) by 2022
- Groundwater sustainability by 2042
Community Choice Aggregation (Butte Choice Energy)

• Allows communities to aggregate their power needs and purchase power on the open market (AB 117, 2002)
Community Choice Aggregation (Butte Choice Energy)

Benefits:
- Choice & Local Control
- 2% rate savings, $5-million in annual savings for the region
- Economic development
- Competitive with neighboring public owned utilities
- Fund local energy projects

Risks:
- Initial start-up costs
- Slight reduction in utility user tax
- Must remain competitive with local investor-owned utility
Community Choice Aggregation (Butte Choice Energy)

Happening Now:

- Implementation plan submitted to CPUC
- RFPs for finance, data management, wholesale power support and executive recruitment launched
- Updating load-demand analysis and resource adequacy filings
- Meets second Monday every month at 05:30 PM at BCAG
